

MIDDLEBURY TOWNSHIP

DECEMBER 2006

FROM THE SUPERVISOR:

Another year has come to a close and it is winter tax time again. Middlebury Township is in fairly good shape. While state revenue is down, I guess we could be worse, as some townships and municipalities have been hit hard. The biggest part of our budget is spent on the upkeep of our roads. I am concerned for the future of the roads as the cost of gravel and blacktop continues to climb. Some townships are being forced to ask for additional nullage to try and keep up with the growing costs of maintaining their roads.

New this year is that we have our own web site and I encourage all Middlebury Township residents with internet access to visit it at www.middleburytownship.org.

I hope that the year 2007 brings improvement for Michigan's economy.
Sincerely,

Anthony (Tony) Sinicropi
Middlebury Township Supervisor

FROM THE TREASURER:

Winter taxes are enclosed. Once again I will be available to collect your taxes in person, but this year I will be collecting these taxes in my home at 1379 Vincent Rd. The days I will be available will be:

Wednesday, December 27, 2006 from 9:00 a.m. until 5:00 p.m.

Wednesday, February 28, 2007 from 9:00 a.m. until 5:00 p.m.

All checks/money orders should be made out to Carolyn Stevens, Treasurer, and mailed to P.O. Box 622, Ovid, MI 48866. If you are paying on the days that I will be collecting and wish to pay in cash, please bring the correct amount as change will not be available.

If you should have any questions regarding tax payments, please contact me at the number below. If you have questions about parcel information, name/address changes etc., please contact the County Equalization Dept (Barb) at 743-2263. If you have questions about how your taxes were figured, you may wish to contact our assessor at the number below.

DOG LICENSES: If you need a dog license and have not purchased it from your veterinarian I will be able to sell you one with a current proof of rabies vaccination and proof of neutering. Your dog must be housed in Middlebury Township for me to issue a license. If you are paying by mail, **please send me a stamped self-addressed envelope for me to return your license** and if possible a copy of last year's license and/or your dogs name, breed, age and color. The costs this year are the same as last Male/Female \$30, and Neutered dogs \$10. After February 28th licenses are doubled and must be purchased directly from the County.
